but wish him any other answer that he one I read by the tirelight now. It was this:

"My Bear Barnard: You must not he keep to mentioned it was this:

"My Bear Barnard: You must not his keep to he mentioned it was the continued on isodify; but I do speak decidedly greated you in determining to turn at hind from a subject which lyou believe u can only bring you believe u can only bring you he was a letter from my daughter Mining, who is a und distressed at being light or give you pain.

"Therieve me, yours sincerely,

"To need the help of the seal of helded Mr. Barrley's many season as the first warm greetings are over, "we'll take a turn on to my again, and miscellaneous sources, and make yourself comfortable for a soil tea at six. I should lose my cook, in all should be a supported that me, your work of the mentioned it was a greet of marble, as a size of public lands about the little Island, the Vitte Neuve, at the head of the lake, when he who do lake, when he would have a small bey a wild we have the following and two little girls. A pleasant walk of haif as the morning papers have the following strong where, but I hope we shan't starve von."

Mrs. Grey's "gazelo," her favorite seat, was a great bowlder of marble, as cended by natural steps. It was shelter downpletely on three sides by rocks and pines, and looked out over the tops of the cheanuits acrossthe Rhone on to the grim profile of the "Giant" on the other side of the valler, and the three ross snow peaks of the bent de Midi further off to the left, it certainly was a charming spot, which and lonely—so lonely, Indeed, that Mrs. lieve had forlidden Emma and Edith to gothere alone, and had never been overtond of staying there herselt after sunset, inne one unusually severe winter that the additional to the long and the hostility in one or two particulars, when it will probably command the assent of the long. The committee are in have of the passage of a bill of some sort, but are optioned to the present. Mr. Jenek's bill, adulough prepared to be reported in a modified torm, the shortness of the season and the hostility it will creat of the Senate, will probably throw it over until such as decided the Wart Department to reflect the passage, were found in the morning leading up to the gazebo, where the show was melted.
